## ABOUT US

We sourced locally our from our family butcher MJ Birtwistle & Co., Who have been in business over 100 years providing first quality produce in the North West region. We have searched high and low to bring you a Memphis style (home of the true barbecue) Cattleman's® BBQ sauce, so you can enjoy an award winning barbecue flavour every time. We have sipped our way around speakeasys to find the best Bloody Marys and craft lagers. Last but not least, in order to bring you an authentic BBQ experience we have shipped an oven directly from Texas that cooks 300kg of prime cut meat everytime. P.S. Our fruit and vegetables are delivered fresh daily too!
